The Struggles of John Brown Russwurm Winston James

“If I know my own heart, I can truly say, that I have not a selfish wish in placing myself under the patronage of the [American Colonization] Society; usefulness in my day and generation, is what I principally court.” “Sensible then, as all are of the disadvantages under which we at present labour, can any consider it a mark of folly, for us to cast our eyes upon some other portion of the globe where all these inconveniences are removed where the Man of Colour freed from the fetters and prejudice, and degradation, under which he labours in this land, may walk forth in all the majesty of his creation—a new born creature—a Free Man!” —John Brown Russwurm, 1829. John Brown Russwurm (1799-1851) is almost completely missing from the annals of the Pan-African movement, despite the pioneering role he played as an educator, abolitionist, editor, government official, emigrationist and colonizationist. Russwurm’s life is one of “firsts”: first African American graduate of Maine’s Bowdoin College; co-founder of Freedom’s Journal, America’s first newspaper to be owned, operated, and edited by African Americans; and, following his emigration to Africa, first black governor of the Maryland section of Liberia. Despite his accomplishments, Russwurm struggled internally with the perennial Pan-Africanist dilemma of whether to go to Africa or stay and fight in the United States, and his ordeal was the first of its kind to be experienced and resolved before the public eye. With this slim, accessible biography of Russwurm, Winston James makes a major contribution to the history of black uplift and protest in the Early American Republic and the larger Pan-African world. James supplements the biography with a carefully edited and annotated selection of Russwurm’s writings, which vividly demonstrate the trajectory of his political thinking and contribution to Pan-Africanist thought and highlight the challenges confronting the peoples of the African Diaspora. Though enormously rich and powerfully analytical, Russwurm’s writings have never been previously anthologized. The Struggles of John Brown Russwurm is a unique and unparalleled reflection on the Early American Republic, the African Diaspora and the wider history of the times. An unblinking observer of and commentator on the condition of African Americans as well as a courageous fighter against white supremacy and for black emancipation, Russwurm’s life and writings provide a distinct and articulate voice on race that is as relevant to the present as it was to his own lifetime.

From reader reviews:

Catherine Walters:

What do you consider book? It is just for students because they're still students or the item for all people in the world, the actual best subject for that? Just simply you can be answered for that concern above. Every person has several personality and hobby for each other. Don't to be forced someone or something that they don't need do that. You must know how great and also important the book The Struggles of John Brown Russwurm. All type of book would you see on many sources. You can look for the internet sources or other social media.

Alice Lawson:

As people who live in the actual modest era should be revise about what going on or data even knowledge to make all of them keep up with the era that is always change and progress. Some of you maybe may update themselves by examining books. It is a good choice for yourself but the problems coming to anyone is you don't know what type you should start with. This The Struggles of John Brown Russwurm is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

Allen Grimm:

Spent a free time and energy to be fun activity to do! A lot of people spent their down time with their family, or their friends. Usually they performing activity like watching television, planning to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Can be reading a book may be option to fill your free of charge time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to test look for book, may be the publication untitled The Struggles of John Brown Russwurm can be great book to read. May be it might be best activity to you.

Rebecca McGrew:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Struggles of John Brown Russwurm can make you feel more interested to read.
