Berlino 1940 (Italian Edition) Nadia Crucitti

All'ascesa di Hitler, molti degli artisti che vivevano in Germania emigrano perché ebrei, altri vanno via per rifiuto della dittatura. L'attore Veit Harlan rimane perché la nuova ideologia gli piace, perché ammira la sontuosità scenografica delle adunate naziste, e soprattutto perché sta per raggiungere il suo vero obiettivo, la regia cinematografica. E resta anche perché crede che l'artista possa creare rimanendo estraneo al suo tempo, senza subire condizionamenti politici e pesanti compromessi.

Vanesio e superficiale, arrivista e amante delle belle donne, Harlan non è antisemita ma, divenuto ormai famoso grazie ai suoi rapporti con il potere, pagherà la sua scelta: Goebbels, Ministro della Propaganda nazista, lo obbligherà a girare nel 1940, in pieno conflitto bellico, *Jud Süß*, il film assunto a simbolo dell'antisemitismo, vero e proprio strumento di propaganda della persecuzione contro gli ebrei.

Questo romanzo racconta la storia di un uomo e di una nazione che preferirono, davanti all'instaurarsi di una dittatura che aveva già in sé i germi del sistema criminale, non vedere e non sentire, mettendo a tacere la propria coscienza ed evitando di scegliere. Ed è al contempo un bellissimo affresco della storia del cinema degli anni '30 e '40, in un periodo nel quale la sua potenza artistica e comunicativa si andava imponendo agli intellettuali e alle masse.
