**A *Los Angeles Times* Book Review Favorite Book of the Year**

Since her girlhood, Prudence Winship has gazed across the tidal straits from her home in Brooklyn to the city of Manhattan and yearned to bridge the distance. Now, established as the owner of the enormously successful gin distillery she inherited from her father, she can begin to realize her dream.

Set in eighteenth-century Brooklyn, this is the story of a determined and intelligent woman who is consumed by a vision of a bridge: a gargantuan construction of timber and masonry she devises to cross the East River in a single, magnificent span. With the help of the local surveyor, Benjamin Horsfield, and her sisters—the high-spirited, obstreperous Tem, who works with her in the distillery, and the silent, uncanny Pearl—she fires the imaginations of the people of Brooklyn and New York by promising them a bridge that will meet their most pressing practical needs while being one of the most ambitious public works ever attempted. Prue's own life and the life of the bridge become inextricably bound together as the costs of the bridge, both financial and human, rise beyond her direst expectations.

*Brookland* confirms Emily Barton's reputation as one of the finest writers of her generation, whose work is "blessedly post-ironic, engaging and heartfelt" (Thomas Pynchon).

### From reader reviews:

#### **Boris Hansen:**

Information is provisions for people to get better life, information these days can get by anyone with everywhere. The information can be a know-how or any news even an issue. What people must be consider if those information which is within the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you get the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take Brookland: A Novel as your daily resource information.

#### **Thomas Smith:**

Reading a reserve can be one of a lot of task that everyone in the world likes. Do you like reading book thus. There are a lot of reasons why people fantastic. First reading a guide will give you a lot of new info. When you read a e-book you will get new information simply because book is one of several ways to share the information or perhaps their idea. Second, reading through a book will make anyone more imaginative. When you looking at a book especially fiction book the author will bring that you imagine the story how the characters do it anything. Third, it is possible to share your knowledge to other people. When you read this Brookland: A Novel, you could tells your family, friends in addition to soon about yours guide. Your knowledge can inspire different ones, make them reading a e-book.

#### **Charles Montiel:**

Playing with family inside a park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, after that why you don't try thing that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Brookland: A Novel, you can enjoy both. It is very good combination right, you still desire to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't obtain it, oh come on its referred to as reading friends.

#### **Susan Bannister:**

What is your hobby? Have you heard in which question when you got students? We believe that that problem was given by teacher for their students. Many kinds of hobby, Every person has different hobby. And you know that little person including reading or as looking at become their hobby. You have to know that reading is very important as well as book as to be the thing. Book is important thing to provide you knowledge, except your teacher or lecturer. You discover good news or update concerning something by book. Numerous books that can you decide to try be your object. One of them are these claims Brookland: A Novel.
