Introduction au droit (Paradigme - Manuels) (French Edition)

Christophe Albiges

Introduction au droit (Paradigme - Manuels) (French Edition) Christophe Albiges

Le droit, en tant que matière complexe, nécessite un apprentissage précis des différents concepts fondamentaux.

La deuxième édition de l'ouvrage Introduction au droit a pour objet de présenter les principales spécificités des notions essentielles pour la formation de tout juriste.

Il contient, de manière successive, une présentation préalable du droit, en tant que Droit objectif, puis un exposé de la diversité et de la mise en oeuvre des droits, au sens de droits subjectifs, en développant les particularités non seulement théoriques, mais aussi pratiques de la matière juridique.

L'originalité de l'ouvrage réside dans la rédaction d'encadrés contenant, sur des thèmes jugés essentiels, plusieurs éléments d'actualité, ainsi que des développements ponctuels relatifs aux droits et libertés fondamentaux.

Ces différents éléments, **mis à jour au 1^{er} juillet 2015** des dernières évolutions législatives comme jurisprudentielles, se révèlent conformes aux attentes des étudiants en 1^{re} année de licence de droit et ceux qui préparent les examens (comme l'entrée aux Centres régionaux de formation des avocats) et concours (tel que l'entrée à l'École nationale de la magistrature).
