The Dilys Powell Film Reader Dilys Powell

Dilys Powell is the *doyenne* of British film critics. Reviewing for the *Sunday Times*, and more recently *Punch*, she has built up a reputation for perceptive assessment. Divided into thematic sections, this selection from over fifty years of criticism reveals her views on such topics as British cinema, the French, film stars, genres, adaptations, and censorship. In addition to critiques of such key films as *Citizen Kane* and *Rashomon*, there are entertaining pieces on biblical epics, biopics, and the musical, and sections on films she loathed and those she tried hard to like.
