Belinda

Maria Edgeworth

Belinda Maria Edgeworth

When Belinda Portman, an accomplished and gentle young woman, is sent to live with the witty and charming Lady Delacour, the two quickly develop a close and affectionate bond. With Lady Delacour's support, Belinda learns to navigate London's complex and challenging society, contends with suitors for her hand in marriage, and discovers who is worthy of her trust, and ultimately, her heart.

Belinda was author Maria Edgeworth's first full-length novel, and was originally serialized in three volumes. Populated with witty and intelligent female characters, *Belinda* explores issues of gender, courtship, and race, and is believed to have served as inspiration for later authors' strong female characters, like those of Jane Austen, William Makepeace Thackeray, and Ivan Turgenev.

HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

From reader reviews:

Mark Gatling:

What do you think about book? It is just for students because they're still students or the item for all people in the world, what the best subject for that? Merely you can be answered for that problem above. Every person has diverse personality and hobby for every other. Don't be pressured someone or something that they don't wish do that. You must know how great along with important the book Belinda. All type of book are you able to see on many solutions. You can look for the internet resources or other social media.

Delores Breedlove:

Typically the book Belinda has a lot associated with on it. So when you check out this book you can get a lot of gain. The book was written by the very famous author. Mcdougal makes some research before write this book. This kind of book very easy to read you may get the point easily after reading this book.

Chad Wright:

Playing with family in a park, coming to see the coastal world or hanging out with close friends is thing that usually you might have done when you have spare time, then why you don't try point that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Belinda, you are able to enjoy both. It is very good combination right, you still desire to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.

Tyler Cote:

As we know that book is significant thing to add our know-how for everything. By a e-book we can know everything we really wish for. A book is a pair of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This publication Belinda was filled with regards to science. Spend your time to add your knowledge about your scientific research competence. Some people has various feel when they reading a book. If you know how big benefit of a book, you can really feel enjoy to read a book. In the modern era like today, many ways to get book that you simply wanted.
