## **DMZ Vol. 1: On the Ground** Brian Wood, RICCARDO BURCHIELLI

In the near future, America's worst nightmare has come true. With military adventurism overseas bogging down the Army and National Guard, the U.S. government mistakenly neglects the very real threat of anti-establishment militias scattered across the 50 states. Like a sleeping giant, Middle America rises up and violently pushes its way to the shining seas, coming to a standstill at the line in the sand – Manhattan. Or, as the world now knows it, the DMZ. Matty Roth, a naive aspiring photojournalist, lands a dream job following a veteran war correspondent into the heart of the DMZ. Things soon go terribly wrong, and Matty finds himself lost and alone in a world he's only seen on television. There, he is faced with a choice: try and find a way off the island, or make his career with an assignment most journalists would kill for. But can he survive in this savage war zone long enough to report the truth?
