Fans of Junie B. Jones and Ivy and Bean will love this new story about the spunky little rascal with big ideas.

The star of *Dory Fantasmagory* is heading to school. Her older siblings, Luke and Violet, warn her to leave her imaginary friend, Mary, at home—or better yet, leave her whole imagination at home! But on her very first day she meets a new friend, a girl whose imagination and style are just about as wild as her own. Now she just has to convince her siblings that she's not making it all up!

Filled with plenty of funny pictures, this book bursts with charm and impudence, making this a must-read for the chapter book set.
