A no-nonsense guide to learning how to expose correctly and creatively for hot shoe flash.

- Do you only use flash in low light situations?
- Do you tend to leave everything on automatic when using flash as you are unsure how to expose correctly for it?
- Do you feel you are not making the most of your flash unit?
- Do you just want someone to take you by the hand and show you how to use flash confidently rather than have to plough through chapters of theory?

By the end of this workshop, you will be bursting to utilize flash in your pictures, rather than thinking of it as a necessary evil for low light situations!

Through the **Photographer's Workshop Series** we focus on exploring how to master one technical aspect of photography at a time, which:

- allows each handbook to be concisely written and tightly focused upon its particular topic, making it ideal for busy people,
- enables enthusiasts to build up their knowledge and skills at their own pace,
- caters for experienced photographers who can reach straight for the handbook they need to quickly fill a gap in their skill set.
