Self-Portrait of a Scoundrel Chauncey Holt

Released for the first time 16 years after his death, this startling autobiography by one of the so-called “three tramps” from the John F. Kennedy assassination reveals the details of Chauncey Marvin Holt’s many claims. Much mystery and suspicion still swirls around that fateful day in November 1963, and theories abound in nearly every form of media. But one of the major mysteries revolves around the three men spotted and later arrested in Dealey Plaza. Holt’s controversial confession to being one of the three tramps has a history of its own, and in his own words he delves into his unique and wild background and life. From his United States Air Force service during Pearl Harbor to his associations with the mob and the CIA, Holt discusses his experiences and encounters in great detail. From a man who truly lived a rare and unique life, the book explains the ins and outs of his associations with Lee Harvey Oswald and the assassination in this unique retrospective of a complex and occasionally dubious life.
