Cato Supreme Court Review 2010-2011

Now in its tenth anniversary year, this acclaimed annual publication brings together leading national scholars to analyze the Supreme Court's most important decisions from the term just ended and to preview the year ahead. The Cato Supreme Court Review is unlike any other publication that follows the work of the Court. Cases critiqued in the 2010-2011 edition include high-profile First Amendment disputes involving offensive funeral protests, violent video games, school choice tax credits, and the public financing of elections; an immigration-related challenge to an Arizona employment-verification law; a global warming-related public nuisance lawsuit; and a host of important cases in the areas of federalism, commercial speech, business law, and criminal procedure.
