## **Hello, America** Livia Bitton-Jackson

The year is 1951 and eighteen-year-old Elli and her mother arrive in New York City. Finally they can leave behind bitter Holocaust memories and become *real* Americans! From office filing all day, to the challenge of night school, to interpreting the intentions of Alex, a handsome and persistent doctor, Elli soon finds learning English is only half as hard as "making it" in this new world.

Against a backdrop of soda shops, skyscrapers, and subways, acclaimed author Livia Bitton-Jackson fuses old-world tradition and modern dreams, in this vivid kaleidoscope of immigrant America.
