The Temple That Never Sleeps - Freemasons and E-Masonry Toward a New Paradigm Josh Heller, Gerald Reilly

A revolutionary book for every Freemason. The two authors, American and UK Masons, present a radical view of Freemasonry for both today and tomorrow. In addition to their ideas are those of numerous Internet Masons (E-Masons) from around the world who, by sharing the experience of their own Masonic journey, have provided stunning personal insight into the viability of the Craft in the Internet Age. This book will challenge your understanding of Freemasonry today and how it might transform for future generations.
