Traumatic Childbirth

Cheryl Tatano Beck, Jeanne Watson Driscoll, Sue Watson

Traumatic Childbirth Cheryl Tatano Beck, Jeanne Watson Driscoll, Sue Watson

Postpartum depression has become a more recognized mental illness over the past decade as a result of education and increased awareness. Traumatic childbirth, however, is still often overlooked, resulting in a scarcity of information for health professionals. This is in spite of up to 34% of new mothers reporting experiencing a traumatic childbirth and prevalence rates rising for high risk mothers, such as those who experience stillbirth or who had very low birth weight infants.

This ground-breaking book brings together an academic, a clinician and a birth trauma activist. Each chapter discusses current research, women's stories, the common themes in the stories and the implications of these for practice, clinical case studies and a clinician's insights and recommendations for care. Topics covered include: mothers' perspectives, fathers' perspectives, the impact on breastfeeding, the impact on subsequent births, PTSD after childbirth and EMDR treatment for PTSD.

This book is a valuable resource for health professionals who come into contact with new mothers, providing the most current and accurate information on traumatic childbirth. It also presents mothers' experiences in a manner that is accessible to women, their partners, and families.

From reader reviews:

Gladys James:

With other case, little folks like to read book Traumatic Childbirth. You can choose the best book if you appreciate reading a book. As long as we know about how is important any book Traumatic Childbirth. You can add know-how and of course you can around the world with a book. Absolutely right, simply because from book you can know everything! From your country until eventually foreign or abroad you may be known. About simple issue until wonderful thing it is possible to know that. In this era, we can open a book or perhaps searching by internet product. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's learn.

Michael Griffin:

Information is provisions for those to get better life, information presently can get by anyone from everywhere. The information can be a expertise or any news even a huge concern. What people must be consider whenever those information which is inside the former life are difficult to be find than now's taking seriously which one would work to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take Traumatic Childbirth as your daily resource information.

Audrey Patton:

Your reading sixth sense will not betray a person, why because this Traumatic Childbirth book written by well-known writer we are excited for well how to make book which can be understand by anyone who all read the book. Written throughout good manner for you, dripping every ideas and composing skill only for eliminate your hunger then you still question Traumatic Childbirth as good book not merely by the cover but also with the content. This is one reserve that can break don't ascertain book by its include, so do you still needing one more sixth sense to pick that!? Oh come on your reading sixth sense already said so why you have to listening to another sixth sense.

Philip Newman:

Is it an individual who having spare time after that spend it whole day by simply watching television programs or just lying on the bed? Do you need something totally new? This Traumatic Childbirth can be the solution, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this fresh era is common not a geek activity. So what these publications have than the others?
