Hood Misfits Volume 4: Carl Weber Presents Brick, Storm

Enzo and Angel are back and this time with vengeance. Micah was hell bent on forcing their hands and pushing them back into the lifestyle they'd left behind after Damien Orlando's demise. With time ticking away, along with Enzo's desire to keep his career and family intact, he will become the monster Micah accused him of being. Enzo will embrace the darkness that flows freely through his veins and make Micah rue the day he awakened the sleeping giant. With Angel by his side, she's ready to be everything he needs in order to keep Micah at bay. But what will happen when Angel learns that Enzo came from the very same monster she thought was long behind her? Will she be able to see Shawn for who he is or will demons of the past cause her to run?

Micah has one agenda: get revenge on the man who ripped his family apart. Sometimes the sins of the father will be visited upon the children and Micah intends to make all of them pay.

There's just one problem, Enzo comes from two different royal bloodlines and neither will see the heir to their thrones fall at the hands of a man such as Micah. When fame, money, and status are what Enzo and Angel needs to survive, just how far will they go to keep hell in their rearview. In war, sometimes blood is all that can save you. Shawn "Enzo" Banks and Bianca "Angel" Smith will find this out the hard way.
