Camille Saint-Saens

## Le rouet d'Omphale, Op. 31: Study score Camille Saint-Saens

The first in a series of tone poems for orchestra inspired by those of Franz Liszt, *Le rouet de Omphale* was composed in 1872 and named for the story in Greek mythology where Heracles was sentenced for a year to do women's work, wear women's clothing and hold a basket of wool as Omphale and her maids were spinning. The work became quite popular in the early 20th century after its use as a theme for *The Shadow* radio program. The score presented here is an authoritative newly engraved edition prepared by Richard W. Sargeant, Jr.
