Plone 3 Intranets Víctor Fernández de Alba
This is a step-by-step guide, from installing your first Plone instance to deploying your intranet. Each chapter will show you an essential aspect that your intranet should have. However, each chapter is isolated enough to serve as a reference manual for later use. The book is packed with examples and useful screenshots for easy learning. This book is for anyone who needs to build an intranet with no limits on capabilities or features. Even if you don't have previous CMS experience or programming skills, this book is for you. Targeted at beginners with no previous experience with Plone, this book will teach you step by step and at the end you should have a full-featured, reliable, and secure intranet.
