Sammy Keyes and the Art of Deception Wendelin Van Draanen

"The most winning junior detective ever in teen lit. (Take that, Nancy Drew!)" —*Midwest Children's Book Review*

The artsy crowd thinks Sammy Keyes has a lot of nerve showing up at a fancy reception in high-tops. But when she tackles a robber who's brandishing a gun with one hand and pulling paintings from the wall with the other, they're glad she has nerve. Or are they?

Sammy may have stopped one criminal, but the real crime at this show has yet to be discovered. The real crime is more subtle, more artful, than anything Sammy's ever seen. Who knew art could be so dangerous?

The Sammy Keyes mysteries are fast-paced, funny, thoroughly modern, and true whodunits. Each mystery is exciting and dramatic, but it's the drama in Sammy's personal life that keeps readers coming back to see what happens next with her love interest Casey, her soap-star mother, and her mysterious father.

From the Hardcover edition.
