## **Seven Hungry Babies** Candace Fleming

Seven bitty baby birds are hungry, hungry, hungry—and they're letting Mama know. "Feed us! Feed us!" the little ones chant, and Mama calms them as only a mother can—before she frantically flies away to gather more delectable worms. Readers can count with Mama Bird as she zooms back and forth across the pages, going from seven hungry babies to none...until one by one the babies wake up again...hungry!
