## **The Grail: The Celtic Origins of the Sacred Icon** Jean Markale

A comprehensive look at the Grail that reveals its fundamentally Celtic nature beneath layers of Christian interpretations

- Emphasizes the significance of the Quest as an archetype of spiritual seeking
- By the world's preeminent authority on Celtic civilization

The Grail has long excited the imaginations of those seeking to see beyond the world of appearances. No other sacred object has inspired such longing or such dread. The Grail is the archetype of the marvelous object in which each individual can enclose the goal of his own personal quest. For some the goal of this quest has been divine grace or the Philosophers' Stone, for others it is simply a treasure that connects various episodes of the King Arthur legend.

Yet the Grail, as an object that is both close and unapproachable, was not the original focus of these stories. The Celtic tales on which the Grail legend is based emphasize the theme of the Quest. Through his exploration of several versions of this myth that appeared in the Middle Ages, Jean Markale digs deep beneath the Christian veneer of these tales, allowing us to penetrate to the true meaning of the Grail and its Quest, legacies of a rich Celtic spirituality that has nourished the Western psyche for centuries. He also examines how these myths were later used by the Knights Templar, as well as how their links with Alchemy and Catharism played a decisive role in the shaping of Western Hermetic thought.

#### **Jimmy Dolce:**

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.

Therefore , this The Grail: The Celtic Origins of the Sacred Icon can make you experience more interested to read.
