The Roberts Court: The Struggle for the Constitution Marcia Coyle

The Roberts Court, seven years old, sits at the center of a constitutional maelstrom. Through four landmark decisions, Marcia Coyle, one of the most prestigious experts on the Supreme Court, reveals the fault lines in the conservative-dominated Court led by Chief Justice John Roberts Jr.

Seven minutes after President Obama put his signature to a landmark national health care insurance program, a lawyer in the office of Florida GOP attorney general Bill McCollum hit a computer key, sparking a legal challenge to the new law that would eventually reach the nation's highest court. Health care is only the most visible and recent front in a battle over the meaning and scope of the U.S. Constitution. The battleground is the United States Supreme Court, and one of the most skilled, insightful, and trenchant of its observers takes us close up to watch it in action.

Marcia Coyle's brilliant inside account of the High Court captures four landmark decisions—concerning health care, money in elections, guns at home, and race in schools. Coyle examines how those cases began—the personalities and conflicts that catapulted them onto the national scene—and how they ultimately exposed the great divides among the justices, such as the originalists versus the pragmatists on guns and the Second Amendment, and corporate speech versus human speech in the controversial Citizens United campaign case. Most dramatically, her analysis shows how dedicated conservative lawyers and groups are strategizing to find cases and crafting them to bring up the judicial road to the Supreme Court with an eye on a receptive conservative majority.

The Roberts Court offers a ringside seat at the struggle to lay down the law of the land.

Then you are receiving problem with the book than can satisfy your small amount of time to read it because this all time you only find book that need more time to be examine. The Roberts Court: The Struggle for the Constitution can be your answer as it can be read by you actually who have those short spare time problems.

Diana Johnson:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Roberts Court: The Struggle for the Constitution can make you sense more interested to read.
