Your Life After Their Death: A Medium's Guide to Healing After a Loss Karen Noé

In *Your Life After Their Death*, psychic medium **Karen Noé** shows you how to move on and enjoy life again after you've lost a loved one. As she often states, "Your deceased loved ones are okay and want you to be, too!"

Karen offers sympathetic yet practical advice as a person who has also suffered through loss and wants to share what she's found to be most helpful. She guides you through healing techniques she's used with herself and clients, such as the Emotional Freedom Technique (also known as tapping), Ho'oponopono, the Law of Attraction, energy healing, prayer, and meditation. She also shows you how to maintain your connection with your loved ones—and even your pets!—who have passed away. You'll learn how to communicate with them and recognize "without a doubt" signs from them, as well as how to connect with a reputable psychic medium.

In this very handy book, you'll discover how you can keep the memory of your loved ones alive while moving on with the rest of your life—so you can heal *your* life after *their* death.
