The Almaguin Highlands, an extensive territory covering a 90 km corridor from Huntsville, north to Callander, west to Dunchurch and east to the Algonquin Park border, is a land rich with lakes, rivers and a lively history. Once considered as a possibility for a government Indian Reserve in the early 1800s, Almaguin became a centre for lumbering and ultimately a year-round mecca for outdoor enthusiasts.

Almaguin: A Highland History offers a wide range of stories from the opening of the area by colonization roads to the first vessels on the Magnetawan River and the courage of the early pioneers. Included are community histories of the many towns, villages and ghost towns of today, profiles of colourful personalities, as well as interesting and amusing tales of these rugged early times.
