## Angel Fire Gerri Hill

A vacation out of the city sounds like just the ticket for Tori Hunter and Sam Kennedy. Joining their Dallas Police Department pals Casey O'Connor and Leslie Tucker in a rented RV, they set out for the New Mexico mountains - and on a collision course with a manhunt. FBI agents Cameron Ross and Andrea Sullivan are tracking a deadly quarry in desolate territory. An ex-teammate from Cameron's Special-Ops days is in deep hiding, planning who-knows-what to cap off a killing spree.

With a hostage at stake and time running out, Cameron reluctantly agrees to outside help from women she doesn't know...or trust. In the crossover that fans have been clamoring for, it's a heart-pounding race against time that challenges the courage and commitment of the exceptional women from Gerri Hill's Hunter's Way and Devil's Rock Series.

### From reader reviews:

#### **Martha McKee:**

Here thing why this kind of Angel Fire are different and reputable to be yours. First of all studying a book is good however it depends in the content of it which is the content is as yummy as food or not. Angel Fire giving you information deeper as different ways, you can find any book out there but there is no guide that similar with Angel Fire. It gives you thrill reading journey, its open up your own personal eyes about the thing this happened in the world which is might be can be happened around you. You can bring everywhere like in playground, café, or even in your method home by train. Should you be having difficulties in bringing the printed book maybe the form of Angel Fire in e-book can be your option.

#### **Edward Emory:**

Many people spending their period by playing outside having friends, fun activity with family or just watching TV all day every day. You can have new activity to enjoy your whole day by examining a book. Ugh, do you think reading a book really can hard because you have to bring the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Smartphone. Like Angel Fire which is having the e-book version. So , why not try out this book? Let's see.

#### **Adriana Phillips:**

Do you like reading a publication? Confuse to looking for your selected book? Or your book ended up being rare? Why so many question for the book? But just about any people feel that they enjoy with regard to reading. Some people likes studying, not only science book but novel and Angel Fire as well as others sources were given information for you. After you know how the truly great a book, you feel want to read more and more. Science e-book was created for teacher as well as students especially. Those ebooks are helping them to include their knowledge. In different case, beside science publication, any other book likes Angel Fire to make your spare time more colorful. Many types of book like this one.

#### **William Johnson:**

What is your hobby? Have you heard that will question when you got learners? We believe that that question was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person such as reading or as reading become their hobby. You should know that reading is very important and also book as to be the point. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You get good news or update in relation to something by book. Many kinds of books that can you take to be your object. One of them is this Angel Fire.
