Bob & Rob & Corn on the Cob

Bob & Rob & Corn on the Cob

Bob and Rob are two squirrels who just love eating corn on the cob. Their friends—a duck, a dog, a chicken, and a piglet—also love corn on the cob, but not Ella Mae Dobbs, a rabbit with a more refined palate. She's a little bit of a snob when it comes to trying foods she doesn't like. She prefers curly-cut carrots, hot cheese fondue, and especially tofu! Bob and Rob devise a plan to get Ella Mae to try corn on the cob—and in return they will try some of her favorite foods too. And while they may not find their next favorite food, Bob, Rob, and even Ella Mae Dobbs find that it's important to try new foods. You may be pleasantly surprised at what you find.

From debut author and illustrator Todd McQueen, *Bob & Rob & Corn on the Cob* is a whimsical, educational, and hilarious romp into the world of two corn on the cob-loving squirrels. Perfect for the picky eater in your life who isn't getting the message through *Green Eggs and Ham*, this is sure to have them giggling while trying foods they originally turned up their noses at. For ages 3 to 6, this is the book all parents will want their picky eaters to read this summer. The playful rhyming of the text makes this a great read-aloud at home or at school and Bob and Rob are sure to become kids' next favorite story-book characters.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
