Dogism Mark Anthony

Lance Thomas is a sexy, young black male who has it all: a high-paying blue collar career, a home in Queens, New York, two cars, a son, and a beautiful wife.

However, after getting married at a very young age he realizes that he is afflicted with DOGISM, a distorted sexuality that causes men to stray and be unfaithful in their relationships with women.

You will not stop turning the pages as you read and witness Lance as he juggles God, a wife, a son, and a new mistress, all the while trying to end his dealings with a past drama-filled stripper who is obsessed with him. In the midst of drama and deception, Lance realizes that eventually every dog has his day.

This must read novel takes you through a journey in the life, mind, and emotions of a man, showing that at times even dogs, with their distorted sexuality have a conscience.
