## Public Pension Fund Management: Governance, Accountability, and Investment Policies

Until recently, 'public pension fund management' is an area that received little attention by policymakers, practitioners, and development agencies. Even though there is growing interest in the public pension fund reform both in emerging and developed countries, there are not many resources available in the market in this area.

The World Bank decided to actively contribute to the international debate over the public pension fund management in order to better advise its clients and design its programs in this area. One of the most important aspects of this effort, and one in which the World Bank has some comparative advantage, is in bringing together country experiences in order to learn which policies have been working and which policies have failed.

*Public Pension Fund Management* highlights the key themes and findings of the Second Public Pension Fund Management Conference which was organized by the Bank and took place in May 2003. This book addresses issues of governance, accountability, and investment policies and aims to foster ongoing dialogue and exchange of experiences across regions and between emerging and developed economies.

#### **George Bash:**

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Public Pension Fund Management: Governance, Accountability, and Investment Policies can make you truly feel more interested to read.
