CROSSINGS ON A BRIDGE OF LIGHT is a tale of boundless compassion as it inspires the journey through the joys and sorrows of life and death. Tibet's great warrior hero, Gesar of Ling discovers that his mother has lost her way and fallen into the torments of hell. Riding his magic horse, the primordial power of mind itself, he then travels through all the hallucinations of existence to liberate her. His journey reaches its apex in four visions of the enlightened rulers of the Kingdom of Shambhala. Thus he establishes a path of awakening for all beings. Gesar's inner journey, his encounters with a panoply of beings embodying the spontaneous presence of the awakened state, enable him to heal the doubts and divisions that have come to threaten his kingdom. This tale of how the vision of an enlightened society can be realized on this earth has inspired people for many centuries; it is equally powerful today.
