The **Miskatonic University Library Association** fosters new talent in literature and the arts. M.U. Monographs are works in which the author has performed most or all editorial and layout functions of this book. It has not been otherwise edited or modified. The trustees deem that this work offers significant value and entertainment to our patrons and fans of the *Call of Cthulhu* roleplaying game.

RAISING UP:The fight against the forces of the Mythos is fraught with peril and it is all too easy for even the strongest will to be tempted by the dark secrets whispered in the cold and empty places of the world.

This monograph presents a series of adventures intended to provide a coherent, yet flexible, mini-campaign. These adventures center on Reginald Preston, a devoted foe of the Mythos who falls victim to its temptations.
