The Little Book of Japan

Charlotte Anderson

The Little Book of Japan Charlotte Anderson

This compact travel pictorial and Japan travel guide is packed with cultural and historical information along with charming photographs.

Japan is a country shrouded in mystery, even now in the 21st century. The myriad facets that, when put together, compose the whole of this nation are impossible to fully capture. But in *The Little Book of Japan*, the dynamic photographer-writer team of Gorazd Vilhar and Charlotte Anderson do an admirable job of creating a celebration in words and images that encapsulates what makes this country so extraordinary.

Small and easily portable, *The Little Book of Japan* is organized in a series of 44 essays with photographs contained within four chapters: Cultural Icons, Traditions, Places and Spiritual Life. Under these four overarching ideals, Vilhar and Anderson explore a wide range of topics from Japanese cultural icons and traditions to Japan's spiritual life to its unique cities and villages.

Broad enough to satisfy anyone with an interest in the culture, art, and beliefs of this unique island nation, yet comprehensive enough for the true Japanophile, *The Little Book of Japan* is a stunning collection of photographs and thoughtful essays.
