A Thin Line Between Love and Stupid Jan'a Sullivan

Everyone seeks for the fast life but not everyone realizes that money, cars, and fame means nothing without real happiness. Meet True, Snow, Juice and Moon, four different girls with different motives. The only thing in common these ladies have is a story to tell. When it comes to loving a man there's a thin line between love and stupid and only those that are strong can and will distinguish between the two. Meet Moon, a seventeen year old girl that believes a woman is suppose to do anything so that her child can and will have their father in their life. Sometimes women get so caught up and blinded by love that they forget who they are and what their purpose is in life. How far are you willing to go to save your family? Should we always fight for what we believe in even when it feels so wrong? When Moon has to tackle the obstacles that come along with loving the only man she knows, will she lose her self to the point of no return or will she be ready when it all falls down?
