For Now, For Always

Marianne K. Martin

For Now, For Always Marianne K. Martin

“Marianne Martin is a wonderful storyteller and a graceful writer with a light, witty touch with language and a sensitivity to the emotions of people in love.”—Ann Bannon, author of the Beebo Brinker novels

Renee Parker is no stranger to love. At only seventeen, she fought social services for the right to raise her four younger siblings. Fought and won. It's a challenge to parent kids scarred by a stepdad's suicide and a mother's imprisonment, but Renee doesn't hesitate to sacrifice her own future to give her brothers and sisters the best chance at a normal life. That, she believes, is what love does.

Then a different kind of love threatens to destroy everything Renee has built. Her younger brother's epilepsy brings her into contact with nurse Olivia Dumont, and for the first time in her young life, Renee realizes there is room in her heart for someone who isn't family. But the watchful eye of social worker Millie Gordon is never far away from the Parker family. And fear of what Millie could do drives a wedge between Olivia and Renee.

But the journeys they have to make separately finally bring them back to the same place. This time, have they learned how to stand up and fight for their love and their new kind of family? And will that love be enough to beat the system, even with the help of tenacious attorney Shayna Bradley?

From reader reviews:

Daniel Rhoads:

Nowadays reading books become more and more than want or need but also be a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge even the information inside the book in which improve your knowledge and information. The data you get based on what kind of reserve you read, if you want send more knowledge just go with training books but if you want feel happy read one having theme for entertaining including comic or novel. Typically the For Now, For Always is kind of publication which is giving the reader unstable experience.

Cliff Boyd:

Are you kind of active person, only have 10 as well as 15 minute in your moment to upgrading your mind talent or thinking skill actually analytical thinking? Then you are having problem with the book compared to can satisfy your limited time to read it because all this time you only find publication that need more time to be examine. For Now, For Always can be your answer because it can be read by you who have those short time problems.

Vincent Humphreys:

Don't be worry when you are afraid that this book may filled the space in your house, you will get it in e-book technique, more simple and reachable. This kind of For Now, For Always can give you a lot of pals because by you looking at this one book you have point that they don't and make anyone more like an interesting person. This book can be one of a step for you to get success. This book offer you information that might be your friend doesn't learn, by knowing more than additional make you to be great people. So , why hesitate? We need to have For Now, For Always.

Regina Dye:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this For Now, For Always can make you sense more interested to read.
