Hizmet or the Gülen Movement referring to name of the renowned Turkish scholar Fethullah Gülen originated in 1970s Turkey as a faith-inspired initiative to improve educational opportunities for a local community; since then, it has grown into a transnational educational, inter-cultural and interfaith movement. This book is intended to summarize and represent the conclusions of much of the academic work on Hizmet in a manner more easily accessible to the lay person or non-specialist. Este libro aborda un fenómeno social contemporáneo conocido como «Hizmet» o «movimiento de voluntarios». En círculos académicos se lo denomina frecuentemente como «Movimiento Gülen» por el nombre de la persona que lo inspiró, Fethullah Gülen. El Movimiento nació en Turquía en la década de los 70 del siglo pasado como una iniciativa de inspiración religiosa que se proponía mejorar las condiciones educativas en las comunidades locales; desde entonces ha crecido hasta convertirse en un movimiento educativo, intercultural e interreligioso, de carácter transnacional. Se calcula que sus miembros alcanzan ya varios millones. Hizmet ha creado y consolidado instituciones respetadas de diversa naturaleza, pero fundamentalmente escuelas en todos los continentes para mostrar la capacidad de un movimiento inspirado en el Islam para impulsar a un gran número de personas de conciencia religiosa y practicantes no sólo a que acepten un orden político y social laico, pluralista y democrático, sino para abrazarlo sinceramente. El movimiento ha generado gran interés en medios académicos en los últimos años. Este libro pretende resumir y presentar las conclusiones de gran parte de esos trabajos académicos de una forma más fácilmente accesible a aquellas personas no especializadas en la materia.
