## **Knight** Kristen Ashley

Anya Gage has learned that to get anything good in life, you have to work for it. She has no expectations, no dreams. Then she finds herself at a party where she doesn't want to be, and she meets Knight. Knight Sebring knows who he is, what he wants, and what he likes. And he gets it. But he never expected something as sweet as Anya Gage to wander into his bedroom during a party he did not expect to be having to borrow his phone. Knight tries to leave Anya to the life she deserves, with white picket fences and a man who watches football on Sundays - good, normal, and clean. But when Anya comes to his nightclub and finds herself in a situation, he knows someone has to look after her. He can't fight it anymore and decides that someone will be him. Knight teaches Anya that just as with the bad, in life you should also expect the good. And he teaches her this by giving it to her. But Knight has a dark past, and just as he desires Anya for exactly who she is, he fears that when she finds out exactly the man he has become and always intends to be, she'll leave him for good, normal, and clean.

### From reader reviews:

#### **Loren Hatfield:**

Nowadays reading books become more and more than want or need but also work as a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want drive more knowledge just go with schooling books but if you want truly feel happy read one together with theme for entertaining like comic or novel. The particular Knight is kind of e-book which is giving the reader unstable experience.

#### **Candice Sharkey:**

Many people spending their moment by playing outside together with friends, fun activity together with family or just watching TV all day long. You can have new activity to spend your whole day by examining a book. Ugh, do you think reading a book will surely hard because you have to bring the book everywhere? It alright you can have the e-book, taking everywhere you want in your Cell phone. Like Knight which is having the e-book version. So , try out this book? Let's see.

#### **Joseph Mattos:**

This Knight is new way for you who has interest to look for some information as it relief your hunger of knowledge. Getting deeper you in it getting knowledge more you know or else you who still having small amount of digest in reading this Knight can be the light food in your case because the information inside this specific book is easy to get by anyone. These books acquire itself in the form that is certainly reachable by anyone, that's why I mean in the e-book application form. People who think that in publication form make them feel tired even dizzy this publication is the answer. So you cannot find any in reading a publication especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss this! Just read this e-book variety for your better life in addition to knowledge.

#### **Susan Bannister:**

As we know that book is essential thing to add our expertise for everything. By a book we can know everything we want. A book is a range of written, printed, illustrated or even blank sheet. Every year was exactly added. This book Knight was filled concerning science. Spend your extra time to add your knowledge about your research competence. Some people has distinct feel when they reading a book. If you know how big benefit from a book, you can feel enjoy to read a publication. In the modern era like currently, many ways to get book that you just wanted.
