Media Anthropology

Media Anthropology

Media Anthropology represents a convergence of issues and interests on anthropological approaches to the study of media. The purpose of this reader is to promote the identity of the field of study; identify its major concepts, methods, and bibliography; comment on the state of the art; and provide examples of current research. Based on original articles by leading scholars from several countries and academic disciplines, **Media Anthropology** provides essays introducing the issues, reviewing the field, forging new conceptual syntheses.
