Guiding girls toward a meaningful prayer life and a more intimate relationship with God.

Prayer doesn't always come easy for kids. This guided journal helps pre-teen girls learn how to talk and listen to God. Each reading offers a new topic with a Bible verse, illustration from Bible characters or Christians, a sample prayer, and guided questions to help girls form their own prayers. There is also a special "Prayer Path" section for them to record their prayers and see God's loving answers.

The cool design is appealing to pre-teen girls with a flex-cover and elastic band closure. Along with guided journaling pages, there are extra blank pages for die-hard journalists!
