## **The Covenant #1** Rob Liefeld

In ancient times there was no weapon more devastating than The Ark of The Covenant, containing a power that collapsed enemy nations and destroyed hostile invaders. The Philistine army, led by General Thane, seeks to crush the Israelites as they populate the surrounding territories. A bold move on the field of battle robs the Israelites of their mythical weapon, empowering their most deadly enemy. A young priest, Samuel, determines to steal back the Ark and assembled a group of mercenaries to aid him in the most daring raid in history. An untold tale of the Bible that shifted the balance of power in history.
