The Iraq Wars and America's Military Revolution

Keith L. Shimko

The Iraq Wars and America's Military Revolution Keith L. Shimko

Many saw the United States' decisive victory in Desert Storm (1991) as not only vindication of American defense policy since Vietnam but also confirmation of a revolution in military affairs (RMA). Just as information-age technologies were revolutionizing civilian life, the Gulf War appeared to reflect similarly profound changes in warfare. A debate has raged ever since about a contemporary RMA and its implications for American defense policy. Addressing these issues, *The Iraq Wars and America's Military Revolution* is a comprehensive study of the Iraq Wars in the context of the RMA debate. Focusing on the creation of a reconnaissance-strike complex and conceptions of parallel or nonlinear warfare, Keith L. Shimko finds a persuasive case for a contemporary RMA while recognizing its limitations as well as promise.

From reader reviews:

Christopher Clarke:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The information you get based on what kind of guide you read, if you want have more knowledge just go with schooling books but if you want experience happy read one along with theme for entertaining for instance comic or novel. Typically the The Iraq Wars and America's Military Revolution is kind of reserve which is giving the reader unforeseen experience.

Natasha Rich:

The reason why? Because this The Iraq Wars and America's Military Revolution is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book adjacent to it was fantastic author who have write the book in such remarkable way makes the content within easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of gains than the other book have such as help improving your expertise and your critical thinking method. So , still want to hesitate having that book? If I were being you I will go to the guide store hurriedly.

Tara Gamboa:

Playing with family in a park, coming to see the sea world or hanging out with good friends is thing that usually you could have done when you have spare time, after that why you don't try factor that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love The Iraq Wars and America's Military Revolution, you are able to enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh can occur its mind hangout fellas. What? Still don't have it, oh come on its referred to as reading friends.

Helen Rios:

A lot of reserve has printed but it takes a different approach. You can get it by web on social media. You can choose the best book for you, science, amusing, novel, or whatever by searching from it. It is identified as of book The Iraq Wars and America's Military Revolution. You can add your knowledge by it. Without leaving the printed book, it may add your knowledge and make you actually happier to read. It is most critical that, you must aware about guide. It can bring you from one spot to other place.
