Gardening with the Moon & Stars Elen Sentier

Gardening with the Moon & Stars brings biodynamics to the ordinary gardener. Elen Sentier is passionate about biodynamics. She feels it's vital to make organics and biodynamics available to as many people as possible if we are to help our earth cope with the increasing demands we humans place upon her.

Biodynamics is easy, simple, cheap and super-effective; it's seriously good horticulture too, and it works in whatever size of garden you have, from a window box to several acres. This book is written in plain down-to-earth language with lots of tips and hints to help you learn how easy it is to use the preparations and work with the star calendar.
