In Pursuit of Justice: Christian-Democratic Explorations

James W. Skillen

In Pursuit of Justice: Christian-Democratic Explorations James W. Skillen

This is a series of eight essays on diverse public policy concerns that asks the questions: What does racial justice, or environmental protection, or family policy look like when approached from a Christian-democratic perspective? And what about the civil-society questions of welfare, education, and political participation? The author, James W. Skillen, argues that the roots of a Christian-democratic approach are neither liberal nor conservative, but pluralistic, opening the way to a healthy regard for both social complexity and government's responsibility to uphold political community.

Published in cooperation with the Center for Public Justice
