## **Malaga Surf: Historia del Surf y Bodyboard (1970-2000) (Spanish Edition) Daniel Esparza**

Tras una década de investigación, en este libro se descubre primero y reconstruye después, un capítulo desconocido y sorprendente de la historia social de Málaga, un capítulo exótico de la historia universal del surf, y un capítulo relevante de la historia del deporte español. Se trata de una investigación rigurosa, el mayor estudio de una historia local del surf jamás realizado hasta ahora en cualquier lengua y en cualquier parte del mundo. Un centenar de fotos de la época (años 60, 70, 80 y 90) y documentos históricos, como fichas, cartas federativas, actas de campeonatos, telegramas y otras sorpresas, resucitan el espíritu de la época y encumbran a Málaga un lugar destacado en la historia universal de este deporte y de la bibliografía de la historia social del deporte. ¿Cuál fue el origen de esta actividad? ¿Cómo y cuándo se expandió por el planeta? ¿Quiénes fueron los pioneros en Málaga? ¿Cómo era el litoral malagueño entonces? ¿Cómo se construyeron las tablas los pioneros? ¿Cómo se organizaron? ¿Qué papel jugaron los extranjeros? ¿Cómo se relacionaron con el resto de España? ¿Quiénes les continuaron? ¿Por qué Málaga fue pionera del Mediterráneo? He aquí una historia fascinante que le llevará al tiempo legendario de los comienzos.
