Sniper Shots (Love in the Crosshairs Series Book 1) Kathy Lane

Amy Sheridan left her special ops unit after a blown mission, swearing she'd never kill again. But when Joshua Colby's life is endangered, she realizes the man means more to her than keeping her vow. She knows her usually controlled heartbeat is running rampant because of him--not fear. Once a sniper, always a sniper. From experience, Joshua knows he'll have no chance at love as long as he remains in the dangerous world of special ops. But once he discovers the tempting woman he's been assigned to protect from a traitor is already part of his world, he's more than ready to follow his heart. Now all he has to do is convince the woman who has him in her crosshairs to give love a chance.

This is a new release of a previously published edition.
