The Blind Healer Mike Endicott

There are two remarkable aspects to Mike Endicott's work. First, his ministry is blessed with astonishing miracles; second, he suffers from retinitis pigmentosa, which led to his becoming completely blind in his mid-forties. This is his account of his life and teaching. He explains: "I am convinced that God wants his church to have the same reputation today that Jesus had during his earthly ministry. I reckon he wants people to say the same sort of things about us that they must have said to each other about those first-generation disciples. Our ministry has to do what it says on the tin."
