The Hockey Stick Illusion

A. W. Montford

The Hockey Stick Illusion A. W. Montford

Here is the definitive exposé of the distorted science behind the iconic global warming graph centrally responsible for the global panic about climate change.

From Steve McIntyre's earliest attempts to reproduce Michael Mann's Hockey Stick graph, to the explosive publication of his work and the launch of a congressional inquiry, *The Hockey Stick Illusion* is a remarkable tale of scientific misconduct and amateur sleuthing. It explains the complex science of this most controversial of temperature reconstructions in layperson's language and lays bare the remarkable extent to which climatologists have been willing to break their own rules in order to defend climate science's most famous finding.

The book also covers the recent leak of the email archives of the Climatic Research Unit which has led to the resignation of its Director, Professor Phil Jones, and exposed the degree to which climate scientists on both sides of the Atlantic have hidden and manipulated data to support their claims.

From reader reviews:

Grace Seals:

Hey guys, do you wish to find a new book to study? Maybe the book with the concept The Hockey Stick Illusion suitable to you? Often the book was written by well-known writers in this era. The book entitled The Hockey Stick Illusion is one of several books in which everyone reads now. This specific book was inspired by many people in the world. When you read this guide you will enter the new way of measuring that you never know ahead of. The author explained their thoughts in a simple way, therefore all people can easily comprehend the core of this e-book. This book will give you a lot of information about this world now. So you can see the representation of the world in this particular book.

Patricia Sax:

Reading an e-book tends to be a new life style in this particular era of globalization. With studying you can get a lot of information that can give you benefit in your life. With books everyone in this world can share their ideas. Textbooks can also inspire a lot of people. Plenty of authors can inspire their very own readers with their stories or their experiences. Not only the story plots that share in the eBooks, but also they write about the data about something that you need. Examples of this: How to get the good score on TOEFL, or how to teach your sons or daughters, there are many kinds of books that exist now. The authors on earth always try to improve their ability in writing, they also do some analysis before they write their books. One of them is this The Hockey Stick Illusion.

William McCown:

This The Hockey Stick Illusion is a great guide for you because the content which is full of information for you who always deal with the world and still have to make decisions every minute. This kind of book reveals information accurately using great plan words or we can declare no rambling sentences inside it. So if you read the item hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but tough core information with attractive delivering sentences. Having The Hockey Stick Illusion in your hand like finding the world in your arm, data in it is not ridiculous. We can say that no e-book that offers you the world in ten or fifteen minutes right but this reserve already does that. So, this is a good reading book. Hello Mr. and Mrs. hectic do you still doubt in which?

Diana Johnson:

What is your hobby? Have you heard this question when you got learners? We believe that that question was given by teachers for their students. Many kinds of hobbies, all people have different hobbies. So you know that little persons such as reading or as examining become their hobbies. You should know that reading is very important and also books as to be the matter. Books are important things to provide you knowledge, except your own personal teacher or lecturer. You find good news or updates regarding something by books. Numerous books that you can take to be your objects. One of them is actually The Hockey Stick Illusion.
