The Third Hill North of Town

Noah Bly

The Third Hill North of Town Noah Bly

Set against the turbulent backdrop of the 1960s, Noah Bly's evocative debut explores prejudice, loss, and redeeming courage through the prism of an unlikely friendship.

When fifty-four-year-old Julianna Dapper slips out of a mental hospital in Bangor, Maine, on a June day in 1962, it's with one purpose in mind. Julianna knows she must go back to the tiny farming community in northern Missouri where she was born and raised. It's the place where she and her best friend, Ben Taylor, roamed as children, and where her life's course shifted irrevocably one night long ago.

Embarking on her journey, Julianna meets Elijah Hunter, a shy teenaged African-American boy, and Jon Tate, a young hitchhiker on the run from the law. The three become traveling companions, bound together by quirks of happenstance. And even as the emerging truth about Julianna's past steers them inexorably toward tragedy, their surprising bond may be the means to transform fear and heartache into the strength that finally guides Julianna home.

The Third Hill North of Town is a haunting, imaginative story of human connection and coincidence—a poignant and powerful novel that ripples with wit and heart.

Advance Praise For The Third Hill North Of Town

"A brilliant combination of chaos and coincidence. With fresh language and uniquely imperfect characters, Noah Bly weaves a story of a cross-country trek that is both improbable and believable. This fresh, engrossing novel left me convinced of the power of memory, even as it arises from a disturbed mind, and taught me—as Bly promises—the wisdom of faith in the ridiculous." —Anna Jean Mayhew, author of *The Dry Grass of August*

"This is an eerie, haunting, beautifully realized novel populated by charming misfits and eccentrics." -- Joseph Olshan, author of *Cloudland*

"Once *The Third Hill North of Town* turns over its engine, readers will do well to secure their grip on

themselves, their loved ones, and any notions they have about guilt and innocence, truth and trust, convenience and blame. By its end, Bly's whirlwind challenges much of what we believe without necessarily meaning to, including those comfortable views on the infinite gradations we lump under the banner of mental illness, including racism. A hell of a journey." —Kyle Beachy, author of *The Slide*

"What a wild ride this novel is! *The Third Hill North of Town* grabs hold and doesn't let go. A story of the tragedy and beauty of coincidence and circumstance, this novel is one that brings the unlikeliest characters together in a way that is somehow both surprising and meaningful." —T. Greenwood, author of *Bodies of Water*

"Noah Bly takes readers on an unforgettable ride through America. Well written, page-turning, and hard to put down!" —Jim Kokoris, author of *The Pursuit of Other Interests*

"A glorious, madcap American road novel in the picaresque tradition, *The Third Hill North of Town* explores a dark uncharted territory where vengefulness and desire and coincidence and consequence blow wild through human hearts, tossing people together and tearing them apart. Think *On the Road* written by Flannery O'Connor. A profound meditation on the sanctity of improvised friendships."--Stephen Lovely, author of *Irreplaceable*
