**Buenos Aires: A Cultural Guide (Interlink Cultural Guides)** Nick Caistor

AN ENGAGING INTRODUCTION TO THE VIBRANT CULTURE OF BUENOS AIRES

The architect Le Corbusier once called Buenos Aires "the capital of an imaginary empire." From its foundation in the sixteenth century, Argentina's main city has been a place of the imagination as well as the scene of many striking historical events. From foreign invasions to more modern-day coups d'etat and dictatorships, the city's turbulent history has been paralleled by a vibrant popular culture born out of the hardships of immigration and longing for a lost homeland.

This cultural guide looks at the impact of history and the efforts of men and women to build a city that would fulfill their dreams, as well as bringing today's Buenos Aires vividly to life for the visitor. From the new skyscrapers along the front of the huge "river of silver" to the picturesque port-side La Boca where hundreds of thousands of immigrants first faced a new continent, Buenos Aires has created its own legend, lived out today in tango bars, on football pitches, in cafes where intense debates take place, or where people simply watch the ever-changing parade of passers-by.

Nick Caistor takes the reader to the insider's Buenos Aires. He shows how the past has shaped its streets, how Argentine politics has left its mark on almost every corner, how each wave of new inhabitants has added to the city's cultural mix. He explores the complex legacy of Spanish colonialism and Peronism as well as considering the city's representation by writers from Darwin and Humboldt to Borges and Cortazar. Analyzing the foundations of Porteno culture, he reveals a city obsessed by nostalgia yet rich in music, dance and spectacle.

\* Compact cultural guide to Buenos Aires with color illustrations

\* Author is a long-term resident of Buenos Aires and has reported for the BBC/WGBH from there

\* Looks at the city's rich literary and musical heritage
