Critter Sitter Chuck Richards

Henry has started his own critter-sitting business, and his neighbors are his first paying customers. Watching this unruly menagerie is hardly a job for a beginner, but Henry is a true professional and never loses his cool. Still, it takes all his clever critter sitter tricks and a little luck to tame these animal antics and have all the furry, feathered, and slithery creatures back where they belong before the Mahoneys return. With a new, brighter palette and the same intricate detail and amazing perspectives, *Critter Sitter* will have readers poring over each page.
