Representation, subjectivity and sexuality continue to be central to scholarly inquiry in the humanities and social sciences. *Deciphering Culture* explores their relationship, each author taking a distinct approach to the concept of 'curiosity' as a way of deciphering the working of particular cultural formations. In the process they address a variety of topics including:

- \* the historical formation of subjectivities, identities and differences
- \* cultural conduct and habits of the self
- \* everyday cultures and negotiation
- \* consumption and the body
- \* memory, history and autobiography
- \* the ethics of critical and textual inquiry.

This fascinating book will appeal to students and academics from a variety of disciplinary backgrounds in the social sciences and cultural studies.
