Female Piety and the Catholic Reformation in France (Religious Cultures in the Early Modern World)

Jennifer Hillman

Female Piety and the Catholic Reformation in France (Religious Cultures in the Early Modern World)

Jennifer Hillman

Hillman presents a fascinating account of the role that women played during the Catholic Reformation in France. She reconstructs the devotional practices of a network of powerful women showing how they reconciled Catholic piety with their roles as part of an aristocratic elite, challenging the view that the Catholic Reformation was a male concern.
