The two volumes of Prayer Book Parallels are aids to the study of the development of the American book from as many points of view as possible. They include liturgical texts and related historical documents. Volume Two is a comparison of Collects, Family Prayers, and Prayers at Sea, as well as the Articles of Religion, the Psalter, and other texts and documents pertinent to Prayer Book study.

The two volumes are of great value to seminarians, clergy, church historians, and anyone interested in the development of the present Prayer Book. (576 pp)
